HOW THIS WORKS!!
(Rules and regulations)
All entrants must sign and return release/registration form.
Handouts allowed during parade by walking participants only. For public safety, tossing candy and other items from moving vehicles is not encouraged.
Parade travels at approximately 2-3 km/hr down the centre of the road, straddling the yellow line with vehicles about 30 feet apart at all times.
Traffic control will be provided by HOST and parade will disregard traffic control signs except in the case of an emergency.
All entries should be at starting location 1/2 hour before parade start time as above.
Individuals riding on float or in the back of trucks should arrive early enough to be ready to go when parade starts.

RELEASE: I have read and understand the information in regard to participation in the 2026 Santa Claus Parade of Lights. In doing so I agree to abide by the rules and recognize the parade committee cannot be held liable for any accident or injuries which may occur during my participation in the parade.
